

Where can I get my flu and pneumonia vaccines?

Flu shots are the best protection against influenza for you and your loved ones. They are available for free.* Some pharmacies and provider offices may also offer pneumococcal vaccines for free as well. Please check with your local pharmacy for more information. Some national and regional pharmacies are listed below. When you go to get your shot(s), remember to bring your member ID card with you.

For more pharmacies offering flu or pneumococcal pneumonia vaccines in your area, call Customer Service at the number on the back of your member ID card.

*Even if you don't have prescription drug coverage with UnitedHealthcare,[®] you can get your flu vaccine at these participating pharmacies for no additional cost.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premiums and/or copayments/coinsurance may change on January 1 of each year. The provider or pharmacy network may change at any time. You will receive notice when necessary. Other providers or pharmacies are available in our network. Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.
